

2026/2027 Silk Road Chinese Government Scholarship

Announcement for International Students at Anhui Agricultural University

To Partner Universities and Institutions,

To promote educational exchange and cooperation between China and other countries, and select outstanding international students for advanced studies in China, in accordance with the Notice of the China Scholarship Council on Approving Quotas for the 2026/2027 Silk Road Chinese Government Scholarship Program (CSC[2026] No. 32), our university hereby launches the enrollment of international students under the 2026/2027 Silk Road Chinese Government Scholarship. We sincerely invite your institution to recommend outstanding students for application.

I. Program Introduction

This is a **full Chinese Government Scholarship** program, supporting international students to pursue full-time master's or doctoral degrees at Anhui Agricultural University.

The scholarship covers:

Tuition fees, accommodation fees, living allowance (CNY 3,500/month for Ph.D. students, CNY 3,000/month for master's students), and comprehensive medical insurance premiums.

Selection principles: Individual application, university recommendation, expert review, and admission on a merit basis.

II. Eligibility

1. Non-Chinese citizens holding a valid foreign passport, in good physical and mental health, of good moral character, with no criminal or disciplinary records.
2. Master's applicants: Hold a bachelor's degree or equivalent qualification.
3. Doctoral applicants: Hold a master's degree or equivalent qualification.
4. In principle, non-enrolled students (except recent graduates).
